VENDOR BOOTHS

We are taking measures to keep safe distancing. Booth spaces will be assigned by ECHA once we have the final count. Outdoor equipment vendors can still bring equipment and can set up their own tables in their allowed space. Please note, **No Backup Alarms before 8 AM** due to residential neighbors.

We cannot guarantee electricity at every booth, but will attempt to accommodate.

Displays may be set up between 7:00 a.m. and 9:00 a.m. on May 10th only.

Parking will be available at the event facility. For driving directions, visit <https://danversport.com/specialevents/directions/>
